## Seeing the Future Sermon Notes – May 19, 2019

Two kinds of pictures:

1. Pictures of the past.
2. Pictures of the future (through the eyes of faith).

Hebrews 11 shows us a gallery of pictures from the past: heroes of faith such as Able, Enoch, Noah, and Abraham.

Each of these men was motivated by a "picture" of the future. Heb. 11:1; Heb. 11:9-10; Heb. 11:27.

A challenge to Seniors: Visualize your future with God at the center! Keep looking at it until it comes into sharper focus. Allow this "picture" to shape your reality.

## The Next Chapter

### Celebrating our High School Graduates

Good morning and welcome to Robinson Avenue! If you are a guest today we want you to know how happy and honored we are that you are here. We're currently undergoing some renovations in our Worship Center and are meeting in our fellowship building in the meantime. Thanks for your understanding and patience as we make this transition. In spite of the change in venue we hope and pray that you'll be encouraged, inspired, and brought closer to God today as we join together in worship.

Today is a special day for us to recognize our graduating high school seniors. This year's class is comprised of Mary Kathryn Asencio, Chase Bowman, Autumn French, Clay Kilmer, Eli Mohorn, Dawson Moss, Dyllon Moss, Savannah Poulos,

and McCane Woods. We're proud of each and every one of these graduates for all of their accomplishments and are so excited about the future that awaits them.

Personally speaking, it has been a joy to watch these young people grow up. In the summer of 2012 I was one of the counselors for cabin 8, the youngest boys' cabin, at Green Valley Bible Camp. Chase, Clay, Eli, Dawson, Dyllon and McCane were all in my cabin that year – all of them just finishing elementary school. None of them would admit it now but all six of them cried to go home at some point during that week! I'm sure that Mary Kathryn, Autumn and Savannah had a similar experience on the girls' side of the camp. It's hard to believe that those same kids who were unsure that they could last one week

away from home have now grown up into young men and young women ready to move to college!

Today we are celebrating them and thanking God for the ways that they have touched our lives. I hope that you will take the time to congratulate each one and, even more importantly, pray for them as they prepare for the next chapter in their lives. These kids have been raised by great families and have been blessed with a loving church family. We have prepared them to the best of our abilities – their future is now in their hands and in God's. They leave here with our continued prayers and blessings.

-Keith Kilmer

## Scholarships

### Scholarships for Our College Students

Annually the elders would like to provide all of our college students with a scholarship of up to \$500 for the coming year to the college of their choosing. To do that we will need donations into a pooled college scholarship fund by May 19, 2019. If you would like to donate to that fund, please clearly indicate on your check “College Scholarship Fund” or donate on Tithely indicating “College Scholarship Fund.”

If you are a student who would like to receive a scholarship made out to your college, please contact Denise Pless with your request by May 19. Since these will be “pooled” donations for all college students receiving a scholarship, the funds donated by the parents or anyone else can be tax deductible. We will be issuing a donation letter for any funds that are over \$250.00. Some Christian college Financial Aid Departments will match the church scholarship up to \$500.00.

Good morning everyone! You are in for a treat this morning! Today we have the opportunity to celebrate our graduating seniors. If you know any of them, you know how awesome this group is and how much they mean to our family here at Robinson Avenue. You will also get to see several of our younger youth group members lead singing, read scripture, and participate in other activities during worship. In addition to our worship this morning, our two summer interns, Hannah Kellum and Lucas Lawrence, are officially starting today. Make sure you come and welcome them! It’s going to be a good morning!

In our youth class, we have been working our way through the bible from cover to cover primarily focusing on events that speak to the up-and-down relationship people have had with God. We started with Adam and Eve: a perfect relationship between God and his creation, namely, humanity. They were image bearers of God. N.T. Wright uses the example of an angled mirror to explain this idea. God looks at us and his image is reflected off of us onto the world. We become the mechanism through which the rest of creation experiences God. However, because of sin, the mirror was tilted incorrectly. Thus, the world sees a distorted view of God through us and there is a chasm between God and creation.

For the rest of the Old Testament, God works to reunite with his creation. Sinful people seem incapable of crossing the bridge to be with God. Sinful people are incapable of becoming perfect image bearers of God again.

Question: Do you speak Spanish? What does the word “carne” mean? The word “carne” means “meat.” Now, what words do you know that have “carne” in them? You may be able to think of several, but there is one that I want to focus on: incarnate. This word refers to the ability of something abstract to take the form of something physical. We usually use this word when we talk about Jesus. We believe Jesus is fully God. We also believe that Jesus is fully human. How can this be? Jesus was God incarnated! When I say this, I am literally saying, “God himself, the creator of the world, the most perfect being in the cosmos, became flesh.”

We were incapable of being the bridge between God and creation. Our flesh won out over our spirit. God became the great bridge that we could not be by taking on the very same flesh that prevented us from living out who we were meant to be. Jesus is the great bridge between God and creation because he is a full-blood citizen in both camps. He was fully human, and he was fully God. How awesome is that?! Because of it, we are forgiven for our sin; for being faulty image bearers.
