Another School Year Begins

The key to a successful year starts with our focus and commitments

KEITH KILMER - Well, it’s that time of year again! It seems like it was just yesterday when the last school bell rang and our summer got underway. Now summer vacations, VBS, mission trips, and swim parties have mostly come and gone. What will this new school year have in store?

The exciting part of this time of year is that it is an opportunity to start fresh and start over. Young people, remember who you are and that you wear the name of Christ proudly – don’t get sucked into trouble and temptation. Remember that our attitude and personality should always imitate Christ’s attitude. Also, remember that you have a family of Christians here for you – don’t be afraid to seek help and guidance.

Parents, it is impossible for us to know everything that goes on while our kids are at school. What we can do is to daily remind them of the God they serve. Michele started a dinner-time habit in our house of going around the table and each of us sharing how we’ve seen God at work during the day – this has been a great way for all of us to stay alert and focused on our walk and our mission.

It’s not just the parent’s responsibility to raise kids in the “training and admonition of the Lord” (Eph. 6:4). As God’s people, we are to look after each other. We are to all set an example in “word, in conduct, in love, in spirit, in faith, and in purity” (I Tim. 4:12). Let us all take the responsibility to make sure that everyone continues to grow spiritually.

Let’s make it a great year!

Youth Ministry

To Our Summer Interns

You have both been incredible this summer. Although it has flown by so quickly (like every other summer), I can tell this was a crucial season for the youth ministry here at Robinson Avenue. It was a season that needed God’s direction, thus bringing us you. How you ended up being here for this particular summer is no accident. It is evident to me how much you actually meant to this youth group and myself. Thank you for your extreme dedication to these teens throughout the duration of the summer. Whether it’s coming up with mindless games for Wednesday night classes or presenting important lessons for our teens, you both were always vigilant, hardworking, and intentional with everything you do—something I personally take great value in! I want you to know how much I love you and how much I appreciate your help during a crazy summer. You both were not only a blessing to the teens, but to myself and Amanda as we dealt with the passing of my grandfather. That time is worth noting because you were so willing to help however we needed it—and much of it you did without hesitation or even asking me. I want you both to fully understand how much of an impact you made for the Kingdom this summer. Never let Satan make you feel undervalued. I love you both!
