I Will Be a Functioning Church Member

Sermon Notes – August 05, 2018

The meaning of membership:

- Membership means we are all _____ of the whole.
- Membership means we are all _____ but we still work _____.
- Membership means everything we say and do is based on the biblical foundation of _____.
- Church membership is _____ membership.

Something to write on your heart:

"I am a church member. It's not a membership as in a civic organization or a country club. It's the kind of membership given to us in I Cor. 12.

As a functioning member, I will give. I will serve. I will minister. I will evangelize. I will study. I will seek to be a blessing to others. I will remember that 'if one member suffers, all the members suffer with it; if one member is honored, all the members rejoice with it.'"

The Meaning of Membership

Membership has its...responsibilities

We want to welcome everyone this morning. A special welcome to those who have returned from Green Valley Bible Camp. We are thankful for all the good things that happened this week: the lessons presented, the friendships formed, the growth that occurred, and especially the lives given to Christ. Be sure and join us at 6 pm this evening for a full report on everything that took place out at camp!

This morning we are beginning a new series entitled, "I Am a Church Member". I realize that a sermon series on church membership might not sound like an exciting theme, but there are some important lessons to be learned in this series. This morning we will address how church membership is different from membership in a civic

organization or a country club. Sometimes we allow our view of secular membership in an organization to affect how we view church membership. In order to grow in our understanding of church membership, we must tackle some of these misconceptions and false suppositions.

Do you remember the old American Express commercials with the line at the end- "Membership has its privileges"? We've been conditioned to think that membership is all about us and our needs. Maybe it's time to put the spotlight on the responsibilities associated with membership. I hope that you will join us for all six lessons in this series.

If you are a guest today we want you to know that we are very glad you are with us. If

you are a church member elsewhere, I hope that this morning's lesson will inspire you in your participation with your home church. If you are a seeker, our prayer is that you'll want to know more about Christ and about the church that he gave his life for. Please don't hesitate to let us know how we might serve you.

- Keith Kilmer
