## Looking Ahead

Many exciting things are on the horizon in 2019

Good morning!  
Welcome to just our second Sunday morning assembly in 2019. We want to extend a special welcome to our guests – we are so glad that you are with us today and hope that you will be edified and encouraged by our time together in the presence of God.

I'm excited about all that lies ahead in 2019. Here are just a few of the things that are just around the corner...

Jesus First! My entire preaching schedule for this year will focus on the person of Christ! Series are planned about the religion of Christ, the life of Christ, and the call of Christ. We're starting things off with an introductory series entitled Christianity is Christ.

Welcoming Adam and Gabby. Our new Hispanic minister,

Adan Guerrero, starts this week! Adam and his wife Gabby will continue the very successful work that has been led for many years by Sabino and Cilvia Rodriguez. Please give a warm welcome to the Guerrero family and thank the Rodriguez family for their many years of faithful service.

Auditorium renovation. Our elders recently announced a complete make-over for our church auditorium. Unless you are a big fan of the 70's you probably agree that it's over-due! Our aim is to provide a welcoming, comfortable environment for seekers and worshipers to gather.

Becoming a church for our community. We'll have several endeavors focused on serving our community and even partnering with our community is service.

Look for a special Summer Series related to this in June and July.

Relationships Matter Seminar – Sept. 22-25 we will host a special seminar featuring Jerry and Lynn Jones. This seminar will be very beneficial not just for strengthening marriages but for building up all of our relationships.

Again, these are just some of the things planned for 2019. Take advantage of opportunities for growth, get involved in works of service, encourage others, and grow in your relationship with God this year!

-Keith Kilmer

Mission of RAVE Children’s Ministry  
The Mission for RACOC Children’s Ministry is to intentionally enable our families to be unified in developing our children spiritually through the following areas: learning Bible foundations and truths, building relationships with God, each other, and our church, fostering excitement and motivation for learning about the Bible, providing opportunities for leadership and serving, and feeling comfortable and safe in the learning environment. This mission statement was created by our Children’s Ministry Committee in an effort to build a common vision and direction on how to best serve our children.

Bible Class is Important - Make Plans to Join Us!  
Listening, reading, and talking about our reading is where Bible study starts with our children.  
What is the first thing you do when you read a good book? That’s right, you tell someone about it! Book clubs are organized for that very reason. To participate in a book club you must read your book, meet with your club, and then talk about what you have read! Think about how important Bible class is to your Bible reading at home. The more you read and study, the more you look forward to meeting with your class and talking about the new ideas and thoughts that inspire you.

II  
Tim. 2:15 - Study to show thyself approved unto God, a workman who needeth not to be ashamed, rightly dividing the word of truth.  
Sharing our excitement about studying the Bible is so powerful to our children. Our mindset about Bible study is passed on to our children. Find time to talk about what you and your children are reading and studying about in Bible class! Let’s share the joy of learning with our children! See you in Bible class!
